## 8/15/2024

The City of Blair was notified of an air release break on the force main west of Hwy 95/Spring Street at 11:17am on Thursday, August 15, 2024. The force main is what carries the City of Blair's sewage to the City of Whitehall. The break was isolated as soon as we were notified and everything was fixed by 6:00pm on Thursday, August 15, 2024.
